RE: STAFF'S LETTER OF INSUFFICIENCY AND THIRD SET OF DATA REQUESTS  
TO FIRST CHOICE TECHNOLOGY, INC. (DOCKET T-20400A-05-0556)

Dear Ms. Haab,

I am assigned to complete the review of the CC&N application filed by First Choice Technology, Inc. ("FCT"), T-20400A-05-0556. This application was originally assigned to an analyst no longer with the Arizona Corporation Commission. I am also aware that delays may have occurred due to environmental conditions in your region. To complete my staff report in this matter, I would appreciate your assistance as soon as possible.

Please provide Docket Control with the information being requested within 60 days of the date of this letter. Mail an original plus 13 copies to Docket Control, Arizona Corporation Commission, 1200 W. Washington Street, Phoenix, AZ 85007-2927. If no response is received or all deficiencies are not remedied within 60 days, Staff will recommend that the application be terminated as per Rule R14-2-1103(B)3 and R14-2-510(E)3. If the application is terminated, the Applicant cannot provide the same telecommunications services in Arizona for which it is currently applying, until such time as a new application is filed with and approved by the Commission.

If you have any questions, please contact me via phone at (602) 542-0742 or via email at [afimbres@azcc.gov](mailto:afimbres@azcc.gov). Thank you for your prompt response to this request.
